

Hi!

MISS FRIESE

I am *thrilled* that you will be in my class this year! We are going to learn so many new and exciting things together. This is my *twelfth* year of teaching 3rd grade at *Green Tree Elementary*, so I think you can infer that I *LOVE* Third Graders! I think it is the best grade ever! We get to *learn* about the Solar System, Long Division, Cursive, and lots more!

I am very passionate about teaching all subjects, though *Science* is my "FAV", and I enjoy using *technology* as much as I can. In fact, you can check out our classroom blog at www.mshoffmann.blogspot.com. I've got some *fun stuff* for you to peruse.

I also think it is very important to work *together* as a classroom family. We will be spending a lot of time together so it is important to treat each other with respect, *kindness*, and compassion. I know that *each* of you have a different brain, which means you *think* and *learn* differently. It is my *job* as your teacher to help you grow as a learner and as a person of good *character*.

Want to know a *little* about me? When I'm not grading papers or planning lessons, you can *find* me at my CrossFit Gym or blogging for other teachers. I *love* to take my fur-baby, Cullen, for walks. We love the outdoors! I grew up in a *military* family and moved *all* over the world! In fact, my *third grade year* was spent in Germany! Did you know that I went to Wentzville Holt High school? I also graduated with my Master's Degree from MIZZOU!

I can't wait to *meet you* and your family at the Green Tree Meet the Teacher Night. Bring your school supplies and a picture of your *family* with you! I have a Fun Scavenger Hunt planned just for *you*!
